Auditions will be held at Tanya's Dance Co. in Studio #2. This event will be open to any dancer interested in auditioning for competitive teams, but will be CLOSED to the parents and the public – parents, family members or friends will not be allowed in during warm-up or auditions. Dancers will perform in small groups selected by their allotted number during sign-in. Since there are a large number of students auditioning, we may go over the specified time. Dancers may go home immediately after completing the audition. Parents are welcome to wait for their dancer, however, only judges and dancers are allowed in the facility during this process.

Audition Attire

We are trying to conduct a professional audition. You need to be in a black leotard, black dance shorts, performance suntan tights (not shredded, ripped or with holes) and hair needs to be slicked back into a bun – *NO FLY-AWAYS!* If your hair is in your face, it will be nothing more than a distraction which will cause you to lose points! Short hair needs to be pulled away from the face. Make-up is not required; please make sure your make-up is not a distraction! You should not have to buy any of these items – everyone should have the appropriate attire. Judges need to be able to see your movement so we prefer you wear only black (no colors or prints, please!) You need to bring all appropriate dance shoes for the styles you are auditioning for – jazz shoes, foot undeez, tap shoes, etc. Also, cargo pants may be worn for the hip hop portion.

What You Need to Bring

You must bring your 'permission/application' form signed by a parent/guardian and have your short essay questions answered. You will need to bring YOUR OWN water bottle (with a lid!) – you will not have time to be running to the bathroom for drinks. Clean snacks are permitted that you can grab quick in between groups (please keep it healthy and simple – nothing that makes a mess or that will spill!) Please no chips, popcorn, soda, fast food, candy, etc.

Audition Results

Results will be posted on-line and on the front door by 1:00 p.m. on Friday, May 20th. Please be sure to remember the number you were assigned at auditions as each style, for each level, will be listed by their *audition number ONLY* (names will not be displayed on this list.) If you cannot remember you number, you will have to wait and call the office the following week during office hours (Monday – Thursday, 1:00-7:00p.m.) Please do not contact the studio or individual instructors regarding your child's placement (questions or concerns) until Monday, June 13th. Our focus needs to be on recital until that day. We will be happy to discuss any questions with you then. We hope to see you there! Good luck and happy dancing!
